### Lexia & Moby Max at HOME

A great reading and math resource to use at home is Lexia and Moby Max. If you have access to the internet at home, your son/ daughter can log in each day and work to improve their reading and math fact mastery. If you do not have access to the internet at home, the public library has free access for students to use each day. This would be a great opportunity for the whole family to visit the library. If your son/ daughter cannot remember their login and password, please contact their teacher.
