Thank you all for a wonderful year at Nora! We have a very busy month ahead of us! Make sure you have marked your calendars! Thank you to each and everyone of you for all you give to Nora each and everyday. We are thankful for each one of you.

Remember to keep your son/daughter reading throughout the summer by visiting the Nora Library, logging in to Lexia, etc. Make sure they read and practice math everyday this summer. If they complete their summer packet and return it in August, they will receive a special treat from me!

In my free time I like to take walks or attend my grandchildren's activities.

IB Learner Profile: Caring

My favorite thing about Nora is seeing eager, happy faces of children entering the building each morning and the staff's response of love and care to each child.

Lexia & Moby Max at HOME

A great reading and math resource to use at home is Lexia and Moby Max. If you have access to the internet at home, your son/ daughter can log in each day and work to improve their reading and math fact mastery. If you do not have access to the internet at home, the public library has free access for students to use each day. This would be a great opportunity for the whole family to visit the library. If your son/ daughter cannot remember their login and password, please contact their teacher.
